### About Y-Kids-Fit

In Winter Hockey, you and your child can play and be active together while your child learns basic hockey skills, such as stick handling, passing and taking shots at a goal. We will still hold class if it is raining, and enjoy indoor activities. Playing together makes families healthier and creates memories to last a lifetime.

**Parent participation required. Register early, space is limited.**

### To Register

Sign up online or complete the registration form and submit with your payment. Make sure to sign the waiver form on the first day of class.
