

September 15, 2022

Dear SUSD Families, Staff and Community,

With great pleasure we announce the 2022 Saratoga Union School District Teacher of the Year, Ann Borgia-Camp, 3rd Grade Teacher at Saratoga Elementary School!

Through the years, many students at Saratoga Elementary School have benefited greatly from Mrs. Camp's 36 years of teaching experience in the district. Ann truly enjoys teaching. She has never lost that love and passion one has as a first-year teacher, in fact it has only grown stronger. She goes above and beyond to ensure her students master their skills. Ann puts students' emotional needs at the core of her work and makes sure they feel like they are part of a school community. Students and families remember Ann for years to come. In fact, many former students come back to see Mrs. Camp and share stories about their wonderful memories in her class. Ann is that teacher you never forget!

"In my career, I have worked with many excellent teachers," said Saratoga Elementary School Principal Kristin Murphy. "Ann is truly one of the very best! Ann teaches like her hair is on fire! Her passion and dedication is seen by all who know her. She pushes all of us to bring out the best educator we can within ourselves. Ann is a lifelong learner in every sense of the word."

Assistant Superintendent Moira Barker and Superintendent Ken Geisick both added, "Not only is Ann a fantastic teacher, she brings positive energy to work and always has a kind word and encouragement for her colleagues. She is a contributing member on district committees where her knowledge and experience bring so much richness to discussions. She has a bright outlook and is a joy to work with."

Mrs. Camp stated when she learned of the award, "It is said that children are the light of the world, and I have certainly found that to be true these past 36 years at Saratoga Elementary School. I have been blessed to work with students who provide lots of positive energy, intelligence, love and laughter on a daily basis. There is never a boring moment as they keep me on my toes. I am continually striving to better myself to be the greatest teacher I can be. I tell people I have the best job in the world, and that is the truth. It is my privilege to work for Saratoga Union School District and receive this award."

Ann Borgia-Camp will be honored at the Santa Clara County Teachers of the Year Celebration on October 24 at the Campbell Heritage Theater.
