

# Make school easier when using your home computer by adding your school environment to your Chrome browser.

## Let's get started

1. Open your Chrome browser 
2. In the top right corner, click the icon next to the 3 dots.

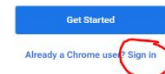

3. Click on + **Add** at the bottom
4. Enter your **name**, select a picture, then click on the **Add** button.

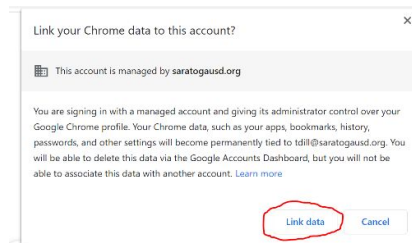

5. Click on **Sign In**  
Login using your **school email address**  
(include **@saratogausd.org**) and **password**.

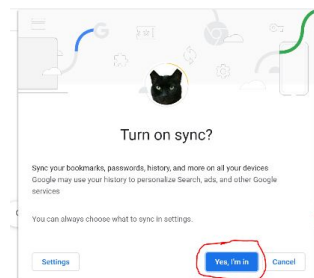

### Set up your browser in a few simple steps Make Chrome your own

6. Click on **Link data**

7. Turn Sync on, click on **Yes, I'm in**

8. All done, you should now see your school bookmarks and tools! 😊

9. If sharing your computer, each student should make their own environment. To switch between environments click your icon as shown in step 2.
