

SUSD Family Math Games Night

for TK-5th grade families

What it is:

Come spend an evening playing a wide variety of math games! Each registered family will receive a packet of math games and will learn from a math education specialist how to use regular dice and cards to build mathematical understanding at home. Bring your best energy! Prizes will be awarded for participation!

Benefits for Kids:

A fun way to review and strengthen basic math skills at home! Children who are secure in their math skills will grow in self-esteem and have greater success in school.

Benefits for Parents:

A motivating, simple and economical homework support that reinforces concepts taught in school. Your presenter will provide you with many strategies, tips and tricks to help your child with math fluency.

Games Reinforce:

Counting

Basic Facts:

$+$, $-$, \times , \div

Problem Solving

Place Value
