2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Saratoga Elementary School has been a center of public education for the Saratoga community since 1854. We strive to be a caring school community that meets the whole child's needs by providing academic and enrichment opportunities that foster lifelong learning.

We do this by providing rigorous standards-based instruction alongside data-driven tiered support systems and well-developed parent and community partnerships. Students develop as mathematicians through the Eureka Math program, which develops foundational skills in operational mathematics and builds fluency with multiple problem-solving approaches. We are also continuing to grow workshop model based reading instruction using Daily 5/CAFE strategies and Units of Study writing curriculum. This year we are launching TWIG Science to provide all students access to Next Generation Science Standards. All students in K-5 have access to Chromebooks. Students have hands-on learning through Makerspace and Science Lab projects. Parent and community partners include the Saratoga Educational Foundation, the Saratoga Elementary Parent-Teacher Association, Project Cornerstone, and the Saratoga Alumni Association. These groups are critical partners who support student enrichment classes, hands-on science labs, fine arts, physical education instruction, library, and character education.

Students, parents, staff, continue to work together to ensure each student receives a challenging, balanced, and integrated educational program in a safe and caring environment.

About this School

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All instructional materials in the core curriculum in Saratoga Union School District are aligned to the California Content Standards and Frameworks. SUSD adheres to CA Education Code and AB 1246, which gives school districts freedom, decision making, and choice in selecting instructional materials, and requires: implementing the California Common Core State Standards; equal access to current curriculum materials; change in the adoption cycle; local school districts can choose their own adoption review process; and classroom teachers will be a major contributor in local adoption processes.

SUSD students have access to standards-based instructional materials, as per EC Section 60119(c)(1), which states that sufficient textbooks or instructional materials means, "each pupil, including English Learners, has a standards-aligned textbook or instructional materials, or both, to use in class and to take home. This paragraph does not require two sets of textbooks or instructional materials for each pupil." This specifically applies to four subject areas: reading/language arts, mathematics, science, and history-social science.

A Public Hearing for 2018-2019-Sufficiency or Insufficiency of Textbooks and Instructional Materials was opened on September 6, 2018 and closed on September 27, 2018 as required by Education Code 60119. The purpose of the public hearing is to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 452.9-17 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Saratoga Elementary School's original facilities were built in 1854; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Various improvements are needed throughout the year as identified. The exterior of the school was repainted in the summer of 2021. One-touch faucets were installed in all bathrooms in 2020, hand sanitizers in all classrooms, the school office and in the multi-purpose rooms, and all HVAC filters were changed to MERV 13 filters to address COVID19 safety measures. The playground areas were re-striped in 2021. Annual inspections and tests were completed for the fire alarm/sprinkler/hydrant, fire extinguishers, post indicator valve and backflow, elevator and stage lifts, kitchen hoods and fire systems, bathroom hardware, and preventative maintenance on sewers. Weed abatement and pest control is monitored and performed. Every room receives deep cleaning in the summer. Preventative maintenance is performed on all HVAC units. Playgrounds are inspected annually and any necessary repairs are completed and new sand is applied.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One Day custodian and one evening custodian are assigned to Saratoga Elementary School. The day custodian is responsible for general grounds maintenance, cleaning the restrooms, multi-purpose room, trash removal, and preparing the school for opening. The evening custodian is responsible for cleaning the classrooms and trash removal.

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent involvement is a vital part of our school! We strive to provide various volunteer opportunities so all families can participate in their child's education and contribute to our school community. When in-school instruction is possible, volunteer opportunities during the school day include being a Project Cornerstone reader, field trip chaperone, room parent, classroom volunteer, lunch/recess supervision help, and traffic help. Another way of serving is through participating on committees like the Service Learning Committee and Garden Committee. Our Parent-Teacher Association coordinates important volunteer-led events throughout the year, including Family Picnic, International Night, Pumpkin Walk, Book Fair, and Science Fair.

During distance learning, parents have participated in various online volunteer activities, including serving as room parents and Project Cornerstone readers.

To learn more about parent involvement opportunities, please contact your child's teacher or the school office at (408) 867-3476.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed for each school in SUSD in collaboration with the School Site Councils, the SUSD Emergency Planning Committee, local agencies (sheriff, fire department, and city government), and the district office to fulfill Senate Bill 187 requirements. The CSSPs were approved by the district's board of trustees before March 1st. Components of this plan include information assessing the current status of school crime committed on school campus and at school related functions, strategies and programs that provide or maintain a high level of school safety, procedures for complying with existing laws related to school safety, including child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy.

The school's most recent school safety plan was reviewed, updated, and discussed with school staff annually at the beginning of the school year. The most current copy of the school plan is available in the school office for public review. For additional information on school safety programs, policies, procedures, and how you may become involved, please contact the school principal.

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2018-19 Elementary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

2020-21 Types of Services Funded

Supplemental financial support for our students comes from:

- Each school site's Parent-Teacher Association
- One-Time Discretionary Funds
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined (Parcel Tax and Saratoga Education Foundation)
- Special Education
- Federal Funds (Title I, Title II, Title III Immigrant, Title III English Learner)

These funds are used to supplement our general education, early literacy, technology, visual and performing arts, elementary physical education programs, as well as support for students with social, emotional or academic difficulties. We have counseling support to assist with social and behavioral counseling intervention. We also use supplemental funds for additional staff, teacher training and support materials.

Professional Development

Saratoga Union School District's major areas of focus for staff development were selected based on student achievement data; student and teacher survey information; and alignment to state curriculum initiatives. SUSD has developed a comprehensive curriculum framework to align professional development and curriculum implementation.

Professional learning focus areas in 2021-2022 are:

Health and Safety:

- * Mandatory health and safety training (Bullying: Recognition and Response; Bloodborne Pathogen Exposure Prevention; Sexual Misconduct; Sexual Harassment; Mandated Reporter: Child Abuse and Neglect)
- * Annual mandatory AED (automated external defibrillator) and EpiPen training for all SUSD staff
- * First Aid and CPR training (two-year certification; training is provided annually)
- * Suicide awareness and prevention, gender equity and inclusivity, and comprehensive sexuality education
- * Seizure protocol
- * COVID-19 safety protocols

Content Standards, Pedagogy, and Curriculum:

- * Next Generation Science Standards implementation (RMS science teachers)
- * Math: content and standards for mathematical practice implementation (TK-5 and RMS math teachers)
- * ELA implementation of the standards-based program (RMS core teachers)
- * Balanced literacy
- * Writing Workshop (elementary)
- * Visible Learning (effective strategies with high impact on student learning)
- * G-Suite training (differentiated for teachers' levels - TK - 8)
- * MakerSpace and project-based learning (based on our EdTech Plan-ISTE Standards)
- * Strategies to support English learners

Special Education:

- * Specialized training in a curriculum designed to meet the needs of students with disabilities, including students with dyslexia
- * Assistive technology and tools for universal access
- * Classified training to support students with independence and advocacy
- * Supporting parent engagement in the IEP process
- * Mental health training including strategies for students needing support
- * Guidance on legal issues and compliance training

The SUSD District Leadership Team's (DLT) purpose is to provide a vehicle for teacher input on district decisions, specifically to: 1) ensure and facilitate articulation among school sites, grade levels, departments, etc, and 2) Establish long- and short-term professional development goals (content and timelines), based upon district goals and administrator, teacher and/or student need. Elementary grade-level representatives and middle school department-level representatives on the DLT meet to align professional development to content standards, assessed student performance, and professional needs.

Possible examples of professional learning experiences with SUSD's TOSAs include:

- * ELA/ELD core and supplementary instructional materials support
- * Assessment-driven instruction
- * Conferencing/small group instruction
- * Writing and reading across the curriculum
- * Book clubs/ literature circles
- * Guided Reading
- * Balanced literacy components
- * Differentiation/ Enrichment
- * Technology and digital instructional tools
- * Workshop teaching
- * RMS Core (ELA and Social Studies) coaching support
- * Implementation and customization of curriculum
- * Mathematics core and supplementary instructional materials support
- * Using assessment to inform instruction
- * Integrating technology into instruction using the SAMR model
- * G-Suite for Education (collaboration and productivity tools)
- * EL strategies and best practices
- * Integrated ELD instruction in the content areas
- * Designated ELD instruction using the ELD standards and Framework
- * Progress monitoring of English learners

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
